

## Energy and Technology Expo

This 3-day event will be held at the Southwest Virginia Higher Education Center in Abingdon on **April 14-16, 2012**.

Exhibits, demonstrations, and lectures will be offered on a variety of topics related to technology and energy.

- **Sat (4-14)** will focus on techno gadgets that effects our daily life at home and at work.
- **Sun (4-15)** will offer a networking opportunity with local and regional leaders in the fields of technology and energy.
- **Mon (4-16)** will focus on alternative energy sources, energy conservation and energy management.

A complete itinerary will be posted on MTC's website after the first of the year. We hope you will mark your calendars to attend this Expo.
