

**Environmental and Energy
Peer to Peer Conference
August 4, 2010
New River Community College
Room 208— Edwards Hall
8:30—11:30 a.m.**

The Manufacturing Technology Center (MTC) will be hosting free of charge the above conference. The purpose of this event is to provide a forum for business professionals to share and discuss issues related to environmental performance and energy conservation. Our conferences include a combination of informative presentations and roundtable discussions.

The workshop registration will begin at 8:30 a.m. Topics that will be discussed at this conference will be:

- MTC Overview and EPA
- Linda Wilson, Stand Energy Corporation, Natural Gas Management
- Discussion of Successes and Questions—Group
- High Efficiency Transformers (Federal Pacific, Bristol, VA)
- Discussion of Successes and Questions—Group
- Improving Environmental Performance and Recycling (Keith Litz, MTC)
- Discussion of Successes and Future Topics—Group

There is no charge for this event. However, pre-registration is required. Please contact Linda Newman at (276) 223-4709 or wcnewml@wcc.vccs.edu to register. Deadline for registration is August 2.

Directions to New River Community College (located in Dublin, VA). The town of Dublin lies 95 miles north of Bristol and 45 miles south of Roanoke on I81. From I81 take exit 98 to Route 100, proceed north on Route 100 for approximately 2 miles. The college is on the left.
