Mark your calendar! This event, conducted by the Manufacturing Technology Center and co-sponsored by the Southwest Virginia Alliance, is coming soon to your area.

Why should you attend this forum? This is an excellent opportunity for you and others to participate in an open forum related to the implementation of Lean and Six Sigma Manufacturing Principles. This forum will allow you to learn about what other businesses are doing and how Lean Six Sigma Principles can have a positive impact in your business. Presentations and round-table discussions begin at 8:30 a.m.

There is no fee for this event. However, pre-registration is required by Tuesday, March 23rd. Please contact the Manufacturing Technology Center at (276) 223-4709 to register.
